STEWARDSHIP SNAPSHOT

Welcome to the redesigned POP Treasurer Notes. As your recently elected Treasurer, my goal is to convey the financial health of our ministry as well as to foster financial transparency here at Prince of Peace in an easy to read, comprehensible monthly message. Our continuing financial challenge can best be described as how will we bridge the gap between resources entrusted unto us by God and the ministries we support.

*Last week we received **\$5,763** in offerings. Our income right now is **-\$14,272** less than what we have received at this time last year. Our school income has remained relatively consistent when compared to this time last year. With that said, our total church and school income is actually up **\$41,026**.*

I hope this report is useful and informative. As always, please contact me or the Finance Team with your questions or comments. Let me know if you have any suggestions for improving this report or other ways finance can be helpful.

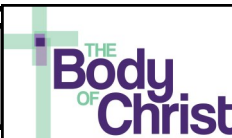

If you're feeling overwhelmed and/or discouraged, take heart; your labor in Christ is not in vain! In fact he promises to work all things for the good of those who love him. In addition, through his apostle our Savior encourages, "Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up" (Galatians 6:9).

Rodney Martinez, Treasurer
