## **Tuition and Fees Refunds**

If you are planning to withdraw your student from Prince of Peace, you must submit a written request (paper copy or via email) to the school principal or to the school secretary at least two weeks before the intended withdrawal date.

If your student's withdrawal date is shortly after a tuition payment has been made, you may be entitled to a reimbursement. Families who withdraw are in close contact with our financial secretary and school board chairman. Please note that the book fee is non-refundable.

## **Financial Aid**

Tuition assistance is available to families who complete a financial aid form and demonstrate a need for assistance. If you would like to apply for aid, please follow the FACTS link on our website.

## **Full Cost of Tuition**

Currently, school tuition for all students is subsidized by our congregation. We at Prince of Peace have committed to spreading the Gospel to the families of the Salt Lake Valley, and this is one way we do so.

However, some families wish to share the wealth with which God has blessed them and pay the full cost of their child's tuition. If you are interested in learning about the true-cost payment to educate your child at Prince of Peace, speak with the Principal.

## **Service Hours**

Each family with a child in Kindergarten through 8th grade at Prince of Peace is expected to perform 10 service hours throughout the school year. It is 10 hours per family, not per student in the school.

These hours are oftentimes completed by volunteering at school events, attending Bible Information Classes, attending Christian Parent Association (CPA) meetings, by assisting classroom teachers, etc...

A fee of \$25 per unfilled service hour will be charged after the final day of school. If you have questions about this policy, please approach a teacher or the Principal at any time.
