- FACTS charges fees for processing tuition payments as well as submitting financial aid applications. These fees go directly to FACTS, not Prince of Peace. FACTS' fees for the 2023-2024 school year are as follows:
 - Financial Aid Application Fee: \$40 (*ACE included*)
 - Pay-in-full or semi-annual payment plan: \$25
 - 10, 11, or 12 month payment plan: \$55

Full Cost of Tuition: Currently, school tuition for all students is subsidized by our congregation. We at Prince of Peace have committed to spreading the Gospel to the families of the Salt Lake Valley, and this is one way we do so. If you are interested in learning about the true-cost payment to educate your child at Prince of Peace, please speak with the Principal.

Primary Grades Award: Prince of Peace Lutheran School is committed to a Christ-centered education that begins in preschool; our prayer is that this Christian education lasts for an eternity. While we have His lambs in our care, we want to encourage families to continue on in our school after attending our preschool program. In order to help families make the transition from our preschool to our elementary school, we at Prince of Peace Lutheran School offer discounts for grades K-2.

- Kindergarten discount (full-time, 5-day): \$1,700
- 1st Grade discount: \$1,500
- 2nd Grade discount: \$700

ACE Scholarship: This new, privately funded, partial-tuition scholarship opportunity (*up to 50% per student*) is available to any family that qualifies based on financial eligibility. We encourage any family that qualifies to apply, as any scholarships received will follow your child throughout their years at Prince of Peace. Applications must be submitted by April 18, 2023. This scholarship is applied for through our FACTS financial aid application found on our website.

Multiple Child Discount: In an effort to make Prince of Peace affordable for all families, we also utilize a multiple child discount for students in K-8 if costs still exceed \$10,500 (*not members of Prince of Peace*)/\$7,500 (*members of Prince of Peace*) after receiving the Primary Grades Award and ACE Scholarship (*if applicable*). Your combined tuition amount for all K-8 students in your family will be discounted to the aforementioned amount above.

Financial Aid: Tuition assistance is also made available to families who complete an application and demonstrate a need for assistance. If you would like to apply for aid, please follow the FACTS link on our website. All financial aid applications need to be submitted by May 1, 2023 and are acted on by the Prince of Peace School Board.

Registration Fee: \$100 per student fee due upon (re)enrollment for the school year. This fee must be paid upfront in order to reserve your students' spot, is non-refundable, and is not connected with any above discounts or awards.

Christian Parents Association (CPA) Fee: \$25 per student fee automatically added to your FACTS account at the beginning of the school year. This CPA fee covers field trips, special events, guest speakers, etc. at Prince of Peace and is not connected with any above discounts or awards.

Service Hours: Each family with a child in Kindergarten through 8th grade at Prince of Peace is expected to perform 10 service hours throughout the school year. It is 10 hours per family, not per student in the school. For more information about service hour opportunities, please speak with the Principal or stop by the office.
