## Looking Ahead to 2025-2026

It is hard to imagine that in just over 5 weeks the chaos of construction, classroom changes, and coordinating new schedules will be replaced with the smiles of young faces, laughter of summer stories, and praises to their Savior through song and voice. Even harder to imagine is that we will be welcoming another record enrollment, adding 23 new students to our PoP family and looking to move into our new school later this school year. May God continue to bless us as we begin another school year under His grace. Check out page two for some noteworthy updates/add-ons in 2025-2026!

If you are interested in leading a group of students in an after school club once a week for 4-6 weeks, please let Mr. Paulsen know. We are excited to continue this program as we move into 2025-2026!
